OBSTACLE DESCRIPTIONS

1. Pieces of Eight

Duck and crawl your way over and under a series of obstacles blocking your way.

2. The Scurvy Scurry

Scamper your way over the twin peaks, just don't lose your head!

3. Mutineer's Misfortune

Climb through a hoard of cargo nets. Watch Your Step!

4. The Crows Nest

Don't get tangled in the Pirate's web.

5. Quartermaster Cargo Climb

Make your way aloft, just don't fall through.

6. Gangplank Gallows

Dangling at your Rope's End – Be ready to make a splash.

7. Black Beard's Blockade

Maneuver your way over the wall using only your strength and the sweat of your brow.

8. Shiver Me Timbers

Climb over and under the broken masts of olde, just don't get sucked into the clear blue water of the deep.

9. Kraken's Revenge

Choose your way up the platform before sliding down into the Pirate's cargo net!

10. Jacob's Ladder

Voyage over the tallest wall you will face. Hope you're not afraid of heights!

11. Walk the Plank

Any last words? Time to jump into the fathoms below.

12. Bilge Rat Crawl

All you Rapsallions, time to scurry through the mud. Be always on your guard!

13. Hornswaggle Tire Hoard

Make the trek across the mountain. Keep your sea legs!

14. Jolly Roger Mud Scramble

Trudge through a winding maze of knee deep mud.

15. Marauder's Mud Crawl

Batten down the Hatches - One last muddy crawl to victory!

16. Scallywag Slide

Descend into the watery grave that is Davy Jones' Locker!
